Petition Against WI AB-440

I am opposed to Wisconsin Assembly Bill 440 – The Wisconsin Dietitians Licensing Bill. Wisconsin Dietitians to not need additional credentialing neither do they need or deserve control over the title of Nutritionist. This bill should not be passed by the Assembly Health and Healthcare Reform Committee.

Send original petitions to your Representative. Also send copies to the Wisconsin Assembly Health Committee: Rep. Jon Richards (chair), P.O. Box 8953, Madison, WI 53708. If possible send copies to the WIHFC.
